Left Navigation Menu

My Default Dashboard

- Add and customize widgets to display metric activity critical to your success
- Click the Add Widgets link to get started [+ Widgets](#)

The Dpoy Portal Page – Dashboards

The 'My Dashboards' page features a table with the following structure:

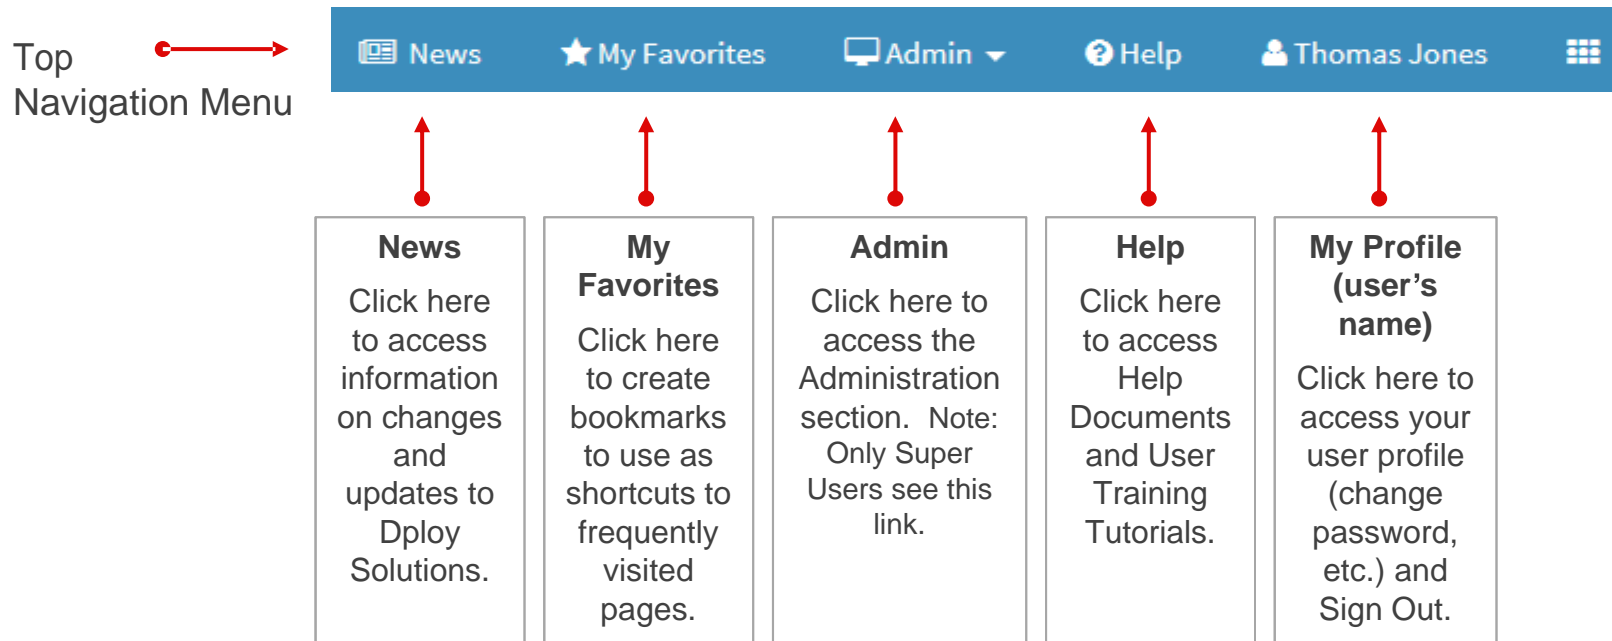

Name	Description	Default	Action
My Default Dashboard	System default Dashboard	<input checked="" type="checkbox"/>	

Below the table is an 'Add Dashboard' button with a plus icon. A red arrow points from the 'My Dashboards' dropdown menu to this button. Below the button is a red note: 'Note: Maximum 10 Dashboards can be added'.

Left Navigation Menu

- My Dashboards
